FOREIGN DIPLOMATS AND LOCALS ENJOYED A CHARITY EVENT HIGHLIGHTING THE BEST OF THAI

Thai arts and culture took centre stage at the Enchanting Evening of Thai Creativity charity dinner and show organised by the YWCA of Bangkok. Held appropriately at Agalico, the lovely Thai-style house and garden of ML Poomchai Chumbala, the event welcomed ambassadors and society figures dressed in Thai costumes through the ages. In addition to traditional classical dances, a Thai buffet dinner was set up in the gardens. The highlight was a fashion show of Thai dresses; the diplomat ladies looked as stunning in their silks and jewels as the other honorary models, which included some beauty queens. The fun event ended with a singing session led by the host himself as well as the popular singing diplomat Vasu Sangsingkeo.
